

**EAST WEST PLAYERS 2024 SEASON AUDITIONS
FOR "KAIROS" by Lisa Sanaye Dring**

East West Players, the longest running professional theater of color in the US, is seeking Asian, Pacific Islander, South Asian, and BIPOC performers for the West Coast Premiere of KAIROS by playwright Lisa Sanaye Dring.

"KAIROS":

by Lisa Sanaye Dring

Director, To be Announced

The first production of East West Players' 2024 Season. Originally developed in the Geffen Writers' Room and World premiering at the Know Theatre of Cincinnati.

'Kairos' is the story of two people falling in love during a tectonic shift in society. Their nascent relationship is tested by the advent of Prometheus, a procedure that grants immortality to a select few. What happens to commitment, meaning and care when linear time breaks open? At once both a dystopian science-fiction play and a dark-comedy love story, 'Kairos' is a deeply sensitive investigation of two humans whose ideal "happily-ever-after" is terrifyingly outpaced by relentless technological and societal upheaval.

'Kairos' is the first production of East West Players' upcoming 2024 Season.
